Spratt Transport Services was established in the 90's to provide transport mainly to the Freight Industry. With nearly 30 years' experience in the freight industry we are able to add greatly to your operations as we have a full awareness of what is required and needed to serve you and your customers.

In February 2009 we opened our new Bonded Warehouse Facility in the state-of-the-art Furry Park Industrial Estate, Santry, Dublin 9. This is ideally located 5 minutes from Dublin Airport, Dublin Port Tunnel and also the M50 & M1 Motorways.

The warehouse enables us to provide a fully bonded warehousing and distribution/road haulage/transport and handling service in Ireland. The warehouse is contained in it's own secure compound complete with CCTV and Aviation standard alarm system. We are able to receive any bonded containers from outside EEC and devan / unload and palletise any loads to your specifications. The warehouse comes equipped with dock levelling facilities and has at present up to 1,000 pallet spaces available for storage with an option for more if required. We provide a Full Storage/Logistics Service with Pick & Pack available. Regarding Groupage Trailers (curtain-siders etc.), we have our own secure compound for stripping them covered by 24 hour CCTV.

Regarding Distribution / Haulage / Transport we provide an excellent same-day citywide / nationwide and next day nationwide services throughout the whole of Ireland & Northern Ireland. We cover Dublin and surrounding counties on a daily basis and rest of Ireland in most cases next-day including Northern Ireland. For the delivery/collection of your shipments we have our own fleet of vehicles available to you ranging from transits, box vans and 20ft, 24ft, 26ft, 28ft curtain-side vehicles with tail-lifts and 40ft loads and Hazardous cargo/materials/goods etc. are also catered for.

We provide a superb Dublin Airport Daily Delivery / Collection Service from all cargo handling warehouses in Dublin Airport. We also provide a Container Haulage / Traction Service out of Dublin Port for any containers which arrive in and need collecting, delivery and/or returning.

On insurance/legality front:

- All Trucks are DOE'd & Taxed.
- Carriers & Warehousing Liability
- Public & Employers Liability
- Fully Tax Compliant
- Valid Road Haulage License
- All Staff are Airfreight Security Trained
- HAZ Cargo Handled

The warehouse is opened daily 8:00am to 6:00pm Monday – Friday and out of hours. We provide a Palletising/Export Staging Service for clients and Weigh & Dim shipments and prepare for export and/or onward forwarding after they are check weighed on our freight industry approved weighing scales. All makes of pallets for shipments, i.e. Euro's, Standards, Heat Treated etc. are available. We also distribute all kinds of pallets. We can also provide an excellent Car Loading / Unloading Service with the use of our dock-levellers and loading bays.

At Spratt Transport Services we are always striving to provide a better & more reliable service to you the customer than that which our competitors try to do. We provide high reliability and quality to both you and your customer reflecting immensely on your profile and therefore representing your image in the marketplace more favourably than other freight forwarders.

With the current economic climate it is important that your service is seen to be better than the rest and with our help you can be ahead of them!

Spratt Transport Services are always available to answer any queries you may have and are very interested in talking to you with a view to us handling your requirements in the distribution and warehousing sector and look forward to hearing from you soon.

We aim to represent our clients as an independent identity so the clients own profile is emphasised in completing the service.
